Please remember COVID 19 precautions are still in place and need to be followed to ensure all staff, clients and visitors remain safe.

Version 1.2 | 17 June 2020

Protecting yourself and others from coronavirus

Protecting Yourself from Coronavirus

Following this advice and practising hygienic respiratory etiquette can help slow the spread of COVID-19

- 1  Wash your hands frequently for at least 20 seconds or use an alcohol-based hand sanitiser
- 2  Cover your cough and sneeze with your elbow or a tissue, then dispose of the tissue in a rubbish bin
- 3  Keep 1.5 metres from other people
- 4  Clean and disinfect frequently touched surfaces regularly
- 5  Stay home if you have symptoms or feel unwell

Practising good hand and sneeze/cough hygiene is the best defence against most viruses

Coronavirus spreads from person-to-person through direct or close contact
